Visit the New Student Orientation (NSO) website, http://www.jjc.edu/info/nso for a complete list of steps and links to get you started. Advising for new students is provided through NSO. Students who want to meet with an Advisor for first semester planning need to first complete either a Traditional or Blended NSO.

- **Submit your application for admission to Joliet Junior College.**
  - Access your JJC ID number, username, and password at www.jjc.edu/info/password.
  - Submit your high school transcript or high school equivalency (GED, HiSET, TASC) transcript to the Admissions office at Main Campus, A-1020. These must be on file for math and science placement.

- **Apply for financial aid and JJC scholarships.** Visit the financial aid website for application information and filing dates at www.jjc.edu/info/financialaid. This is recommended but not required in order to complete the admissions/NSO process.

- **Take the Placement Test or submit your ACT, GED, HiSET, PARCC, or SAT scores to the Admissions Office.** Students with college credit in English and Math may be exempted from placement testing. If you have previously completed college level coursework, submit an official transcript for evaluation and/or alert your counselor/advisor to ensure accurate placement. Test information and study materials are available at www.jjc.edu/info/placement. Please call (815) 280-2284 with questions.

- **Select a New Student Orientation that is convenient for you!**
  Visit the NSO Webpage to select your orientation. For instructions on how to complete an orientation, please see the back side of this sheet. Advising appointments for course recommendations are available to new students only after they complete a Traditional or Blended NSO.

* If you have earned 6 or more transferrable credits at another college you must complete the first online portion of Blended NSO. **DO NOT** sign-up for an on-campus session after completing. Instead, please contact the Counseling Office, Main Campus, (815) 280-2673 or Counseling Office, Romeoville Campus, (815) 886-3000.
New Student Orientation (NSO)
Sessions Fill Quick, So Sign-Up Early!

Traditional Option (during fall and spring registration only)

- To sign up for a Traditional NSO Session you must complete placement testing or submit current, eligible ACT, GED, HiSET, PARCC, or SAT test scores.
- You will need your username and password to login and select your New Student Orientation date, time, and campus location.
- Go to the NSO webpage and click the “Traditional NSO” image. You will watch a short welcome video and then be prompted to login and sign-up.
- Attend a one hour on-campus presentation, where you will learn more about JJC programs, support services, and policies.
- Immediately following the presentation, you will attend a New Student Group Advising Session. There you will meet with an Advisor to plan first semester classes, and learn how to register. * If you would like assistance from our Disability Services Office for course planning, they will be available to assist you after the presentation.
- Your NSO reservation ticket and academic summary are required for your NSO session. *Must attend the entire 2 ½ hour session. Traditional sessions fill quickly so sign-up early.

Blended NSO (available all year)

- Go to the NSO webpage and click the “Blended NSO” image.
- You will need your username and password to login and complete an interactive online program. Learn about JJC programs, support services, and policies. This will take 30-60 minutes to complete and is accessible from any PC or mobile device.
- Sign up for an on-campus New Student Group Advising Session. You will be prompted to do this after you complete the online portion.
- To sign up you must complete placement testing or submit current, eligible ACT, GED, HiSET, PARCC, or SAT test scores.
- During the New Student Group Advising Session you will meet with an Advisor to plan first semester courses, and learn how to register online.
- Your First Semester Advising Pass and academic summary are required for New Student Group Advising Sessions.
  *Be prepared to stay the entire 1.5 hour session. Sessions fill quickly, so sign-up early.
